Mrs. Wood's 3rd Grade Newsletter

Math

Students will continue to learn how to measure to the nearest quarter and half inch. We will then learn about area and perimeter.

Reading

Students will be reading and tested on the story, "Tales of a Trickster."

Vocabulary Words

insightful, technique, majority, investigate, cunning

Iron Mountain Iron Mine

We will be taking our field trip on Friday, June 2nd. We'll be leaving at 11:40 and back by 2 or 2:30. It will be \$6 per student and \$6 for chaperones as well. Please turn in your money for your child and yourself to me if you plan to chaperone.

Science

Students have been thinking like engineers. We observe a problem and come up with a solution.

Reminder

No School Monday!
